

GAS AND DIESEL  
FUEL INJECTOR CLEANER  
PART #1515

**BENEFITS:**

- Increases fuel octane and diesel cetane for better performance
- Absorbs harmful moisture in the fuel system
- Cleans injectors
- Unclogs port fuel injectors
- Dissolves and removes gum, varnish, and carbon build-up throughout the fuel system
- Cleans and restores the original uniform spray pattern to each fuel injector
- Does not contain alcohol

## INSTRUCTIONS FOR THE GAS & DIESEL FUEL INJECTOR CLEANER

Add one bottle of **MOTOR PURR GAS & DIESEL FUEL INJECTOR CLEANER** to the fuel tank. One bottle will treat 3 to 20 gallons of gasoline or diesel.

**Be careful NOT to spill this product on any painted surface!**

Drive the vehicle for 10 minutes in low gear, working the product through the fuel system.

**Use with MOTOR PURR TUNE UP for added benefits.**
